

Roebbelen Team Member  
Since 1987

# DENNIS DANIELL

## Executive Vice President

### EDUCATION:

- Bachelor of Science in Accounting/Business Administration, California State University, Sacramento
- Certified Public Accountant

### PROJECT EXPERIENCE:

Mr. Daniell joined Roebbelen Construction, Inc., in 1987 as Chief Financial Officer. His responsibilities include the supervision of accounting and financial activities, personnel management, banking and bonding relationships, insurance matters, corporate taxes and other related administrative and financial matters.

Prior to joining Roebbelen Construction, Inc., Mr. Daniell was employed as the Corporate Controller of Wickland Oil Company in Sacramento, California. He held various positions in the accounting and financial areas during his twelve years at Wickland Oil Company. His responsibilities included supervision of accounting activities, financial analysis, budgets, long range planning, systems analysis and related matters.

From 1970 to 1974, Hurdman and Cranston employed Mr. Daniell as a Certified Public Accountant. Mr. Daniell was responsible for planning and coordinating financial audits and performing tax services for clients.
