

Roebbelen Team Member
Since 2000

KEN WENHAM

Vice President, Construction Operations

EDUCATION:

- B.S. in Construction Management, California State University, Sacramento
- Journeyman Carpenter since 1989

PROJECT EXPERIENCE:

Mr. Wenham joined the Roebbelen team in 2000 as a Project Manager. He has over twenty years of construction related experience. In 2004, Mr. Wenham was promoted to Division Manager overseeing Roebbelen Contracting's Public Works/Hard Bid Division. All of Roebbelen's concrete, wood-framing and other self-performed work were managed under the direct supervision of Mr. Wenham. As VP of Operations, Mr. Wenham has overseen the successful completion of over eighty (80) school projects.

Lease-Leaseback Experience:

- Antelope High School, Antelope, CA - \$77,037,374
- Russell Ranch Elementary School, Folsom, CA - \$2,270,131
- Cobblestone Elementary School, Plumas Lake, CA - \$15,386,593
- Bear Creek High School Expansion & Modernization, Stockton, CA - \$6,034,770
- Magnet High School, Antioch, CA - \$10,207,967
- Lodi High School, New Gymnasium & Cafeteria Expansion, Lodi, CA - \$7,360,895
- Buckeye Elementary School - Increment 1 & 2, Shingle Springs, CA - \$6,856,763
- William Brooks Elementary School Modernization, El Dorado Hills, CA - \$5,172,955
- Kennedy High School Performing Arts Building, Sacramento, CA - \$7,736,277

Project Management Experience:

- Hornet Bookstore and Office - CSU Sacramento, Sacramento, CA - \$20,046,910
- American River College, Learning Resource Center, Sacramento, CA - \$8,420,964
- Chabot College - Community Student Services Center, Hayward, CA - \$27,540,000
- Redding Civic Center Phase II - Redding, California
- Sunset Theater Renovation and Seismic Retrofit - Carmel, California
- New Skills and Business Education Center - Sacramento, California
- Mt. Shasta Mall - Redding, California
- Cal Trans District 2 Headquarters Seismic Retrofit, Redding, California

Prior to joining Roebbelen Construction, Mr. Wenham was a Project Manager for other local contractors where he was responsible for the following projects:

- Butte County Jail (design-build)
- Fairfield Sewer District Maintenance Facility
- U.C.D. Bainer Hall Renovation
- Gold River Office Park (design-build)
- Mondavi Winery Distribution Facility (design-build)
