Memorial Plaques Installed at Deputy Jeff Mitchell Field

EL DORADO HILLS, CA – On March 17, one more component was put into place as plaques were installed on the Public Service Memorial Wall at Deputy Jeff Mitchell Field. The Memorial Wall is a feature of the newly-renovated, state-of-the-art Little League field located at Bertelsen Park, 831 Redwood Lane, adjacent to Brooks Elementary School in El Dorado Hills.

One plaque displays the names and logos of the project's major donors: Bank of America, El Dorado Disposal Service, Land Architecture, Inc, Rotary Club of El Dorado Hills, Roebbelen and El Dorado Hills Community Services District. A second plaque lists sponsors' names and sponsorship levels. The third plaque In Memoriam reads, "*In honor of all the fallen public safety officers and in recognition of their faithful service to our community,*" and lists the five local public safety organizations that are being honored: California Department of Forestry and Fire Protection, California Highway Patrol, El Dorado County Sheriff Department, El Dorado Hills Fire Department, and Sacramento County Sheriff Department.

Sacramento County Sheriff's Deputy Jeff Mitchell was murdered while on duty on October 27, 2006. Deputy Jeff Mitchell Field and the Public Service Memorial has been a community undertaking with support and participation by numerous local individuals, businesses and organizations including the El Dorado Hills Community Services District. The ball field and memorial honor Deputy Mitchell and all our local public service heroes.

Deputy Jeff Mitchell Field was dedicated on August 29, 2009.
