

Roebbelen Team Member
Since 1979

TERRY STREET

President

EDUCATION:

- Bachelor of Science in Civil Engineering, UC Davis, CA
- Licensed Civil Engineer CE 32235, California

PROJECT EXPERIENCE:

Mr. Street joined the Roebbelen organization in 1979 and has over 31 years of construction related experience. He served as Vice President in charge of Construction Operations until April 1997 when he assumed the role of President of Roebbelen Contracting, Inc.

Representative projects include: The award winning \$130 million Dougherty Valley High School, award winning \$100 million Vista del Lago High School, the award winning \$80 million Whitney High School, the \$4.7 million Emergency Department at Mercy Medical Folsom, the \$9.7 million County of Sacramento's Fleet Maintenance Facility, the \$20 million Soledad State Prison addition, and one of our larger projects in process the \$73.4 million Antelope High School. Some other projects the company is known for are: the Jones Fork Hydroelectric Facility, Carmel-by-the-Sea's Sunset Theater, Winchester Country Club, and the California State Library and Court's Annex building.

Mr. Street has been an owner of Roebbelen since 1983 and has seen Roebbelen grow from approximately \$3 Million in 1979 to over \$310 Million in 2007.
